KCU Honors Employees

Kitsap Credit Union employees developed a peer recognition program called On the Spot. The awards program, started two years ago, recognizes peer-nominated employees who exemplify the Credit Union's Core Purpose, which is, "To build quality relationships, provide valuable financial assistance, and empower people to achieve more." Quarterly winners are selected and honored, and are then eligible to win the top annual award.

Employees recognized with On the Spot awards for the first quarter of 2013, are Branch Manager Jennifer Taylor, Financial Representative Lynn-Cherie Doty, and Recruitment Coordinator Gina Byrd.

Taylor's award is a direct result of her ongoing contributions to a program supporting members in transition as a result of the Quimper Credit Union merger. Taylor's uplifting spirit developed camaraderie and ensured a smooth process for the members.

Doty received recognition for providing valuable financial assistance as demonstrated by a specific example where she helped members adjust their finances in order to recover from hardship. Doty's members expressed gratitude for her resourcefulness and credit her for helping them avoid a home foreclosure.

Byrd was nominated for the positive experiences she provides to staff and potential job candidates. Her contributions to the hiring process were viewed as not only efficient, but also thoughtful to each potential candidate.

These *On the Spot* award winners each received an engraved keepsake, a certificate of appreciation, and a few hours paid time off.

Congratulations to our first quarter winners. We're proud of you.
