CONSENT AND RELEASE

I, the undersigned, hereby give my permission, consent, and authorization to Kitsap Credit Union and its authorized employees to make any inquiries regarding the status of my personal and business credit, accounts, loans, and trade relationships, past, present and future, and employment, that the Credit Union deems reasonably required to process my request for a loan and to review future performance. This authorization includes, but is not limited to, credit bureau reports, direct contacts with financial institutions where I previously and/or presently have been granted credit, direct contacts with employers and landlords, and direct contacts with trade suppliers. I hereby authorize any of the above to release to the Credit Union information regarding any accounts, loans, contracts, and relationships. I also authorize release to the Credit Union, financial statements, tax returns, and other financial data from CPAs, accountants, and bookkeepers. I attest that tax returns, financial statements, or any other financial information provided in person or electronically now and in the future is truthfully represented. Additionally, I authorize release to the Credit Union, information from financial institutions, trusts, insurance companies, title companies, appraisers, attorneys, and consultants.
